Attention Provider Types 11, 13 and 56: Overpayments for Inpatient Claims Recouped

Inpatient claims processed June 1, 2011, through June 30, 2013, may have overpaid if the number of procedures on the claim exceeded the number authorized. The affected claims have been identified and were automatically reprocessed to adjust the original claims and recoup the overpayments. Remittance advices dated January 3, 2014, and January 17, 2014, show the results of the recoupments.

Providers who have refunded the overpayments may disregard this announcement.
